Targeted
approach

Unmatched Campaign Success Rate

Target the right people to ensure meaningful sales effort.

- ✉ Up to 93% of our emails get through
- ✉ Up to 66% email open rate
- ✳ Up to 25% click through rate

We built and constantly update a massive database with real people and real emails. That's why as many as 93% of our emails get through, with 66% open rate.

Up to 25% of the leads click on the link inside the mail - one more indication that the genuine people are being targeted.

Why email marketing?

- 🔧 It's easy to control
- ⟳ You can reuse the leads once you acquire them
- ➡ You get direct traffic to your landing page
- 📊 It has a positive SEO impact
- ⚖ Higher value for money compared to ads
- 👤 You build your community based on your goals
- ⌚ It's measurable and predictable.

Thank you!
